

# PONY CLUB

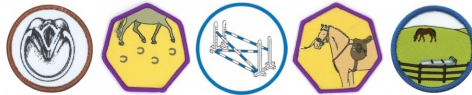

## What is Pony Club?

The Pony Club is an international voluntary youth organisation for those interested in ponies & riding. Founded in England in 1929, the Pony Club is now represented in no less than 22 countries and has a membership exceeding 110,000. A majority of the most successful riders in all disciplines of British equestrian competition have been members of the Pony Club.

Oxmardyke Equestrian Centre became a Pony Club Approved Centre in 2008; enabling youngsters to take advantage of the excellent Pony Club educational system & their superb insurance, without having to own your own pony. Members are encouraged to take an active interest in the work that goes into looking after your own pony & improve knowledge by working towards gaining Achievement Badges & Pony Club Tests. Pony Club is a great way of making friends with other riders, working as part of a team, improving confidence around horses, improving skills and most importantly having fun!

Members are advised to continue with their riding lessons, alongside Pony Club Activities.

## Want to Join Pony Club?

We are currently accepting new members for Oxmardyke Pony Club – we are a Pony Club Centre which caters for children that do not own their own pony. Children should be at least 6 years of age & ride off the lead rein in walk and trot. Members subscribe an annual fee, linking them to their Pony Club Centre which constitutes membership to the Pony Club as a whole, and includes Third Party Insurance. There is no need to join the Pony Club straight away, come and join in for a day first. If you would like to join, ask for a Pony Club membership form & order your Pony Club tie, badge & sweatshirt.
